## SISTER CITY

Landsberg am Lech (Landsberg on the river Lech) is a town in southwest Bavaria, Germany, about 40 miles west of Munich and 22 miles south of Augsburg. The city has a population of nearly 29,000. Located on the Romantic Road and known for its picturesque historic center, the city was founded in the early 13th century. Landsberg has been our sister city since 1984.

St. Nicholas and Krampus, a horned folk figure who seeks children who misbehave, will be wandering the Green...this is a unique tradition celebrated in Landsberg and that region of Europe. We hope you enjoy sharing this tradition at our Christkindlmarkt.

## CHILDREN'S ACTIVITIES

(sponsored by Hudson Montessori School)

Children can participate in a scavenger hunt as they walk among the vendors on the Clocktower Green and receive a reward when it is completed. The forms will be available at the Christkindlmarkt Tent each day.

On Saturday children of all ages can make paper lanterns and participate in a parade around the Green.

Lanterns will be made from 3 to 5 p.m. in the lower activity room at First Congregational Church of Hudson, which is located within walking distance of Christkindlmarkt at 47 Aurora Street. Parents should accompany their young children. The parade will occur shortly after 5 p.m. and is expected to begin in front of the church.
